Graham & Heather Howard displayed two Lister engines. Andrew Page drove his Massey Ferguson with caryall, he also had a guessing competition - guess the weight of the tractor, it created a lot of interest. ## Henley On The Mersey - Australia Day Jan 26, 2016

The day started overcast but pleasant. The sun came out mid afternoon. David & Judy presented 5 lawn mowers, a hand push fertiliser spreader and a hand push seeder. A Howard rotary hoe that works - we had evidence. Brian Ling brought along a Ransom & Toselli orchard crawler tractors. Lloyd attended with his Sundial & International stationery motors. Gloria & Old Pa had their E27N Fprdson and a Massey Fergusson 30 tractors. Gloria had desert before her main meal. Graham & Heather displayed their Lister D stationery motor.

Great chops & cunning ferret racing.

Happy New Year to all  
Heather.

*A rather intoxicated chap walked into a cafe for a meal and on inspecting the menu, he noticed a misprint on the "R" of rissoles. He called the waitress over and said, "I'll have some of those pissoles please."*

*The waitress took a look and said, "I'm sorry sir, the "P" is supposed to be an "R"."*

*The chap replies, "Well I guess "R" soles will do!"*

# Evendale Penny Farthing

A cold start but turned out to be a pleasant day. A large crowd of about 5000 who seemed to enjoy all the attractions such as the pipe band, celtic dancers, the bike races, many stalls, vintage cars and of course our engine display. Although only small it drew a lot of attention from young and old alike.

Members attending were Jim & Cheryl Dickson, Rodney & Alison Springer, Harry Nolan, Clynton Brown and Jeff Springer

On display was 20 chain saws, 10 engines 1 compact tractor, The items that seemed to attract the most interest was a model engine displayed by Jim Dickson and the compact tractor by Rodney Springer which was fitted with a engine from a ride on mower.

Another engine displayed by Clynton Brown which he was proud of because it was a clinton engine not the same spelling as his name .

# N.H.M.A. News Update, 08/02/2016.

**To all NHMA Members, Dear Sirs and Madams,**

NHMA Conference in S.Aust, we have been made aware of this and that in my opinion, Alan and Ken, have both fully, the very best interests of NHMA and its operations in full control. Most of you have heard of late, not good news and negative reports, comments on performances by current Pres Alan Shepherd, current Secretary, Ken Bock. This has been brought about by leaked information, somehow, electronic media, facebook and "Smokestack", to denigrate NHMA Management and Delegates. Due to this, it has been deemed necessary to not reply, electronically, to these requests and demands.

However, after attending the latest. This has been backed up by A.J.Gallagher representative, Miss Bella Wilkinson, who attended this conference at NHMA request. Full details of her report will be included with this letter. Please read for your enlightenment. This was not available before to answer all questions being asked repeatedly by members. As your delegate, I ask for all to please read and confirm. As some delegates are up for re-election, including myself, can I please ask, as most members will not be able to attend the AGM, to be held on April 8,2016, at Maitland, NSW.

Please use your voting right as a NHMA Member and Clubs Associated, can use the Proxy vote form to re-nominate Alan and Ken to be returned to their present positions. As both Gentlemen have the credentials and proven track record in all aspects of the daily running operations of NHMA. We could lose this with someone new to the system. As we have currently 9000+ members, Aust. Wide and more "Hobby Clubs" seeking to join up, this speaks for itself.

According to A.J.Gallagher reports, we already have the best Insurance Cover for what we do in what is known as our "Hobby". The fact that this before, was not clearly understood by most of

us, casting a lot of doubt. But now, I feel strongly enough, that this matter is now clearly clarified. Our confidence in our leaders should be enhanced, so we continue to enjoy what we are doing and leaders at the "helm". I ask as many as possible, to use your "right to vote, if you can attend at Maitland, or please use your "proxy" vote forms(included) to allow management to continue the great work they are doing.

Yours truly, Brian Scott, Pres HMC Tas,Inc.

## **Sassafras Heritage Farming Weekend**

It is all over for another year. Thank you to those members who made the effort to help. Thank you to all who came to see all our great exhibits. Thank you also to everyone who brought along their machinery to show. We had a great time and I think everyone who came along certainly enjoyed themselves.

It was just great to see all the children having a great time on the rides - the hay ride, both trains, the horses - it was a pleasure to give them something to remember.

The many demonstrations this year were popular - chaff cutting, stone crushing, shingle splitting, hand shearing just to name a few. Also thank you to all the great food stalls - you certainly gave us a great variety of food to choose from.

Wonderful entertainment from Rino & Jade Morea along with Tania Kernaghan. Thank you to all our sponsors also.

There are too many people to thank so I won't even try to name them all but big, big thank you everyone.

## **Australia Day, Somerset.**

Not a big roll-up, but never the less we had a fun day, 12 members & 7 exhibits.

The trailer is still in repair, Ivan & Brian decided to do the job properly. Raised the roof, hooray girls we won't hit our heads now, also altered the door at back.

We started the day with Damper & billy tea & bacon & egg roll breakfast, on the shores at Gutteridge Garden Wynyard, then onto Somerset.

Men set-up engines & wares,

Barry (Rawson) - Lawn Mowers, old restored push mowers, restored engines, chain saws, brush cutters and ass. hand tools.

Nigel (Boyes) - Old gramophone, hand made gramophone, Edison Cylinder gramophone, old film Projector & Cameras.

Ray (Harris) - 3 1/2 H.P. C.S Lister, Diesel, 3 1/2 H.P. Lister petrol, 1940.

Little overcast weather to start with then came out very warm.

Great layback day, the engines behaved, so men sat under boobyallas where they could keep an eye on motors & out of the hot sun & chattered away like a bunch of old women.

The comradeship in our club shows us why these days are so successful.

Many thanks to the Rotary committee of Somerset for there invite.

Thanks to all who made our Australia day a memorial one

*Barb Moore.*

All the engines behaved, no brake downs.

Everyone seemed to enjoy the scenic drive & beautiful weather in afternoon.

Early pack-up, then quick trip around the little township, stop at the shop for well earned soft drink & ice-cream ,

Although earlier in day the majority of us joined Ray who is very

partial to raspberries & cream,

The late leavers had the thrill of seeing the fire fighter Helicopter fill his tanks out of the lake.

Once again thank you to the members that made our day.

Also the Waratah Committee for their welcome & trust many more years.

*Barb Moore.*

### **The NHMA Mission Statement.**

The NHMA Inc is an Association of enthusiasts from across Australia, formed in 1987 by a small band of clubs with similar interests that provides a fellowship with common interest of collecting, restoring, displaying of Heritage Farm Machinery, Tractors, Vehicles and Associated Memorabilia.

The necessity of a working handbook for NHMA member clubs has grown over the past years. The issues of insurance, safety matters, club record keeping have and will continue to become more complex. It is also becoming more difficult for clubs to elect officers who are willing to take on these positions that are vital to the clubs future. The guideline handbook is now updated regularly, to keep up with latest developments. The main theme is on SAFETY FIRST AT ALL TIMES.

Taken from the NHMA current guidelines. Your President, Secretary and Treasurer have the current handbook. Please ask if you would like to check on an issue.
