EVENTS

Please refer to the separate sheet for the events list. Contact John Booth if you have any event related questions. Print the sheet out and stick it on your fridge 🕴

The club had a good display at the Launceston Show,
South Riana's 80th anniversary and Pearns
Steamup over the last 3 months, although it did prove a bit tiring for some.

THE ATKINSON DIFFERENTIAL ENGINE

The Atkinson-cycle engine is a type of internal combustion engine invented by James Atkinson in 1882. He produced three different designs that had a short compression stroke and a longer expansion stroke. The first Atkinson-cycle engine, the differential engine, used opposed pistons. The second design was the cycle engine, which used an over-centre arm to create four piston strokes in one crankshaft revolution. The reciprocating engine had the intake, compression, power, and exhaust strokes of a single turn of the crankshaft, and was designed to avoid infringing certain patents

CHRISTMAS PARTY

The club Christmas dinner is to be held Thursday 7th of December 7pm \$40 a head for traditional two course Christmas Dinner.

To be held Ulverstone Bowls Club.

PLEASE CONTACT KARYN HAINES BEFORE 24th NOVEMBER.

The usual Raffle will be held

Offering trade prices on some articles and 25% to 50% on other items where applicable.

Hand tools, Power tools, Fasteners, Abrasives and all Industrial Engineering Supplies.

Members need to present membership badge to be eligible for DISCOUNT. Well worth your support

MEETINGS

Meetings are held in the Penguin club rooms on the first Tuesday of each month at 7.30 pm except January

The Abel Tasman

CLUB MERCHANDISE

VALE BARRY SMITH

Recently we said goodbye to Barry Smith. Barry was a much-respected member of the club and a regular at shows. We offer our condolences to his family and friends; he will be much missed.

IMPORTANT - SAFETY INFORMATION

In this issue I have attached a letter from NHMA President Peter Garnham and the NHMA Golden Safety Rules. These have been sent to all clubs and provide good guidelines for conducting safe events.

We understand that it can seem to be a "bit of a nuisance" having all of these rules and regulations but the facts behind them are very simple. These are our safety guidelines, in conjunction with our own safety procedures.

It may all seem a bit bureaucratic but if these guidelines are not followed and we are unfortunate enough to have an accident, **we will not be covered by insurance.**

It is much better to spend our efforts getting it right and doing our best to avoid incidents than it is to spend time defending claims.

Our safety officers have a very important job and we must respect them.

If you have any questions about insurance, please contact our NHMA rep, Lyn Richards

Allan Wilton Newsletter editor

LETTER FROM NHMA PRESIDENT PETER GARNHAM

Dear NHMA members

I write this letter as a forward to the "Golden Rules "which to me means those of our rules which are absolutely set in concrete. The document should be read as the headlines of our safety management system found in our Rally Handbook and agreed with our insurers.

Many of you will be aware none of these are new and traditionally these have always been there, and we all have had to abide by them for years, it's just a quick guide for every member to take, not only when setting up and running your exhibit at a rally, but it is good practice for whenever you run an engine, even at home.

Please read and commit them to memory, as we all want to go home to our families after a great day at a rally.

Regards

Peter Garnham

President NHMA

NHMA GOLDEN SAFETY RULES

NHMA Safety Management System provides guidelines to ensure a high level of safety for our activities. The guidelines apply to all participants during all club events and activities. Below is a high-level summary of points essential to ensure compliance with the Safety Management System and maintain your and the public's safety.

- Rally Co-ordinator Is responsible for the control of all exhibits and must ensure a documented
 rally risk assessment is carried out in conjunction with daily toolbox meetings.
- **Insurance and Age Limits** The minimum age for machinery exhibitors is 10 years and all exhibitors must have appropriate public liability insurance.
- Clothing Appropriate clothing and footwear should be worn at all times.
- **Exhibit Placement** All powered mechanical exhibits must be fenced. The 1.5 away from the fence and 1 metre between exhibits rule should be followed as a minimum with flywheel and belt operation parallel to the compound fence.
- **Unloading and loading-** Ensure adequate space and the suitability of winches etc. being used. Do not hold onto suspended loads during loading/unloading exhibits but rather use a tag line.
- **Licensing** -Where applicable exhibitors and participants must be appropriately high risk licenced and pressure vessels certified.
- **Public Entry to Compounds** Non-insured persons may enter compounds at the discretion of the rally coordinator provided that they are appropriately inducted and escorted at all times.
- Exhibit Supervision and Refuelling -Operating exhibits must be attended at all times by a
 person capable of safely operating the device. Internal combustion engines must not be
 refuelled while operating.
- Belt Starting -Loose belt starting of an exhibit from a running engine is prohibited.
- Hazard Consideration Particular care should be given to the potential hazards of displays:
 - Drive belts, Drive chains & Drive shafts (Entanglement)
 - Gearing, cogs, wheels (Crushing & Entrapment)
 - Blades, spikes, cutters, propellers (Cutting & Crushing)
 - Exhausts, cooling water, fuel & other chemicals (Burns)
 - Excess noise
- Alcohol & Illicit Drugs Must not be consumed in compounds or while operating machinery.
- Tractor Activities Only permitted in a public excluded areas. Passengers are not allowed unless there is an allocated seat. Modified tractors are not permitted to take part in NHMA insured tractor pulls.
- Driver Qualification Tractor operators must be appropriately licenced or accepted as competent by the Rally organisers.
- Moving Tractors In Public Rally Spaces Restricted to walking pace under a marshal's supervision.
- Public Roads Tractors operated on public roadway must comply with State or Territory registration, insurance and licencing requirements.
- **Static Tractor Displays** May be displayed outside compounds provided that unauthorized access is managed, and that the vehicle is rendered inoperative and in a stationary condition.

Peter Garnham

President NHMA
